The Food Stamp Program

EXTENT. The Food Stamp Program was in operation in 1,471 counties and 88 city areas in August, including 26 counties opened during the month. 81 million persons, 61.7 per cent of the total United States population, live in operating areas. Of 3,830,000 eligible persons, 2,474,000 or 65 per cent, participated. This was a decline of 128,000 persons from the total participating in July.

STAMP ISSUANCE. Of \$7,269,000 in blue stamp issuance, \$406,000 less than in July, the West received 13 per cent; the Midwest, 29 per cent; the Northeast, 31 per cent; and the South, 27 per cent.

This decline in participation and blue stamp issuance continues the steady downward trend of the last five months. Participation has dropped 1.1 million persons, or 31 per cent since the February peak in participation, and blue stamp issuance has dropped 2.5 million dollars or 26 per cent since the March peak in issuance. Recertification of caseloads, the war and war production, and seasonal factors account for these reductions.

The August decline in blue stamp issuance was greatest in the Midwest, \$149,000; in the Northeast, \$138,000; in the South, \$70,000; and in the West, \$50,000.

The average per capita blue stamp issuance was \$2.94 in August, one cent less than in July. Orange stamp issuance in August: 13.3 million dollars, \$5.38 per capita, a decline of \$792,000 from July. "Free blue" issuance: 8,900 to 7,400 persons, \$1.20 per capita, a decline of \$1,500 and 1,400 persons from July.

BLUE STAMP PURCHASES. August purchases in the continental United States: 100.5 million pounds, valued at 7.3 million dollars. The percentage of blue stamp money spent for commodities changed only slightly from July. Butter was 17.5 per cent of the total, eggs 20.7 per cent, cereals 16.4 per cent, vegetables 28.8 per cent, and fruit 16.7 per cent.

Blue stamp money expended during the month decreased 4 per cent from July, total quantity of food purchased decreased 5 per cent.

BLUE STAMPS ISSUED TO EDUCATIONAL AND DEMONSTRATION PROJECTS. Issuance of blue stamps to Educational and Demonstration Projects was reported by two regions in August. The West issued \$243 to such projects, the South \$965, a total of \$1,208 for the month.
